Commodore: Claire Brechter

Greetings!

I hope you had an enjoyable Christmas with your families and friends. Bob and I were fortunate to be able to spend the holiday with our children and twin granddaughters in northern Minnesota. We are now looking forward to ringing in the New Year with our NERYC friends!

Thank you to those of you who have donated to the St. Mary Anne's Episcopal Church Food Bank since early December. Our collection is being delivered to the church after New Year's Eve, and I'm sure the recipients in our local North East community will appreciate your generous contributions.

Following the New Year's Eve party, IPC Dave Brzezowski is hosting this year's first Dart League night on Saturday, January 8. Check out the details from Dave about food and beverage for this event as it will be a BYOB. The restaurant will remain closed until Thursday, January 13, followed by the always popular January Birthday/Anniversary/New Member night on Friday, January 14.

Looking ahead, our fingers are crossed for an event-filled 2022 at the club. As I noted in a recent email, Amy Grove has joined the BOG as Rear Commodore and will be the point person for club social events. If you have an idea for an event or wish to help in any way, please feel free to reach out to Amy.

I also ask that you please continue to take the appropriate precautions concerning COVID-19, particularly as the number of cases seems to be rising, even among those vaccinated. Let's be sure we all do our best to make 2022 a Happy and Healthy New Year!

Cheers! Commodore Claire Brechter

Rear Commodore: Amy Grove

Happy New Year Everyone!

I'm excited to oversee land-based fun for 2022. Bill and I joined NERYC the fall before COVID hit and had a slow start to the social benefits of the club. This past year we really enjoyed finally getting to know people by participating in activities and look forward to growing these new friendships and meeting even more of you!

Don't let the cold (or not so cold) keep you from the fun in January. Start the year off right with laughter and friends:

- New Year's Eve Rio De Janerio Party: It's not too late! Reservations due by Wednesday Dec. 29th
- Saturday Darts and Game Nights are here! January 8th and 22nd this month
- Birthday/Anniversary/New Member Night on Friday, January 14th
- Stay tuned for more information on the January 29th theme dinner

Fleet Captain Report: Bob Gamble

Hello NERYC Members – Happy New Year!

We hope everyone was able to celebrate the Holiday's with Family and Friends, especially during this recent uptick in Covid-19 Omicron Cases. This pandemic is a gift that keeps on giving, isn't it?

Plans for the '22 cruise season are well underway. Joining the Fleet Captain team of Cindy Gamble, Linda Child and Rueben Clark is Joe Romasco! Joe will be working closely with the Team to "learn the ropes" as he anticipates taking over the Fleet Captain reigns next year.

Here are ideas that are being evaluated for our upcoming cruise season. To finalize plans a survey to membership will be sent to gain insights into interest.

- A Shakedown cruise, sock burning bon fire and other events very early to kick off the cruise season
- Several daytime "themed" raft-ups at Cara Cove, on the sandbar islands near Havre De Grace or other easy to get to locations
- Memorial Day Cruise to Baltimore Yacht Club
- Some weekend raft-ups at Turner's Creek, Still Pond and other new locations
- Possible 4-day weekend excursions to places like the Magothy River, Wye River, Oxford on the Choptank, or Chestertown
- A Weeklong cruise to Cape May or down the Chesapeake Bay to Solomon Island, Tangier and Smith Island or other places further south. Note that long cruises on the Chesapeake Bay should not happen in July/August as it oppressively too hot
- Labor Day Cruise to Baltimore, Rock Hall or some other location
- Some "Stay Cruises" to club members who would like to host NERYC – anyone interested in hosting one please contact me
- End of year Stay Cruise at NERYC with a band

The theme for this upcoming cruising season will be "***NERYC's Puzzle to Fun***" where each piece of the puzzle represents a place in our cruise destination. For some nominal investment to cover things like fleet locker stock up, incidental food serving items, awards, prizes and hiring a band at the end of the year each participating cruise member will receive a blank NERYC Puzzle Board. As each cruise event is attended members will receive that piece of the puzzle. Members with the most puzzle pieces will win a 1st, 2nd and 3rd prize. At the end of year everyone gets all the puzzle pieces to complete their puzzle and can then frame the puzzle for keepsake. Another novel idea by Fleet Captain's Cindy Gamble.

Stay tuned for the survey and for more details on our '22 Cruise plans.

Fair Winds,

Bob Gamble, NERYC Fleet Captain

Steel Tip Dart League

- ◆ Dart League is back for 2022 —four new boards will be featured
- ◆ Starts Saturday, January 8th at 6PM and runs for 7 sessions
(every other Saturday with two exceptions on Fri, Mar 4th & Fri Apr 1st)
(see league rules sheet for dates or club calendar on NERYC.com)
- ◆ 301 double in/out games in a blind bracket tournament style.
- ◆ \$5 entry fee per player with 1st and 2nd place payout each session.
- ◆ End of league party at the club for participants on Saturday April 23rd.
- ◆ Contact IPC Dave Brzezowski with questions and to sign up.
- ◆ Pool table will also be set up for 8 ball fun.

NERYC Steel Dart League Rules / Guidelines – League Manager: Dave Brzezowski / Co Manager: Tracy Fuchs

Dart Board Measurements:

Standard height from the floor to the bullseye on the dartboard is 5 feet 8 inches, while the oche (the line behind which darts players stand when throwing) distance to the front of the board should measure 7 feet 9.25 inches. Four new Steel tip dart boards will be set up in the upstairs dance floor area of the club. Temporary wall and floor protection (cork for the wall, drop cloth or other for floor) will be used to protect from the steel tip darts. Temporary lighting will also be used.)

Format:

Individual player format. Dependent upon the number of players that show up will determine the blind bracket that will be used. Either a single or double elimination type of 'tournament' will be held to be decided by league manager on a given session.

Session Schedule:

We will play on Saturday nights with the following Seven (7) night schedule starting at promptly at 6PM. We will target a maximum time allotted of three hours for a session. If you would like to join in, please email Dave at davebrzezowski@gmail.com or simply show up any given session. But it is important that you show up on time – if we've already started and you show up too late, it may not be possible to add you into a bracket.

- Saturday January 8th
- Saturday January 22nd
- Saturday February 5th
- Saturday February 19th
- Friday March 4th (moved due to murder mystery play on Saturday March 5th)
- Saturday March 19th
- Friday April 1st (moved due to a private party that has been booked at the club and nobody's a fool, right?)
- Saturday April 16th

Fee: Minimal \$5 per person per session is the fee. 50% of the fee collected for a given night will be paid out to first and second place for the evening (70% to 1st, 30% to 2nd). The balance will be pooled and saved for a party at the club on Saturday April 23rd for dart league participants only. (Or alternate date agreed to by majority of the players on the last session night).

301 Game Basic Rules:

In a game of 301 the object is for a player to be the first to reach zero from starting total of 301. In simple terms, after three darts are thrown, the throwing player subtracts the total scored from his current total until he reaches zero. To start scoring, the player must "double in" (one dart in outer ring of board). In order to reach zero each player must finish by throwing a double i.e. if player one has 36 remaining, he must hit double 18 to win, while if player two has 45 remaining he must hit single 5, double 20 to win - or another combination of scores provided the final dart scores on a double. If you 'bust' while attempting to double out (I.E. go over the numerical amount needed to double out), you bust for that round and your score reverts to what you started that round with. To clarify:

In 301, it can get to a point where the player is said to have "busted". **When this happens, all darts thrown in that round do not count, and the player's turn is over.** Situations that count as a "bust" include:

- If the player ends up with less than zero when playing both double-out and single-out.
- If when playing double-out, the player hits exactly zero, but their last dart was not a double.
- If they remain with 1 point when playing double-out (you cannot throw half of one).

Games:

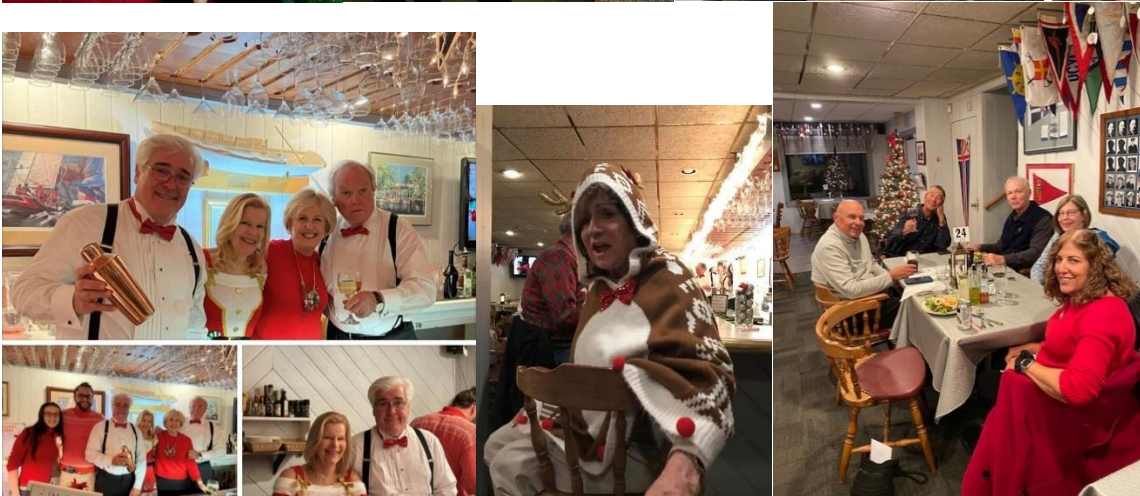

Players for the evening will be drawn from a hat to be entered on the bracket for the evening. The session will be played in a "Set" format, whereby players must win a Set by winning the best two out of three 301 games against their opponent in the bracket to advance.

Rules adjustments / protests:

The League Manager(s) will adjust rules / dates as needed throughout the course of the league to keep it fun, exciting, and good time for all. The League Manager(s) will listen to and decide any protests that arise.
