

Greetings All.

The 2003 NERYC Invitational Sail Race took place on Saturday, July 26, in perfect sailing weather. Clear skies, warm temperatures, and steady moderate winds were enjoyed by a record number of racers for a NERYC race. The 10.61 mile course was completed by three separate fleets: PHRF spinnaker, PHRF non-spinnaker, and cruising class. Exemplary sailing skills were exhibited by many skippers in what were some of the most hair-raising starts ever observed by this race committee. Our thanks to Bob Appleton for providing his 50' ketch, Journey, as committee boat for the event. After the race, NERYC members and visiting skippers were treated to a NERYC specialty, a great party with good food, music, and great camaraderie. We were also honored with the presence of Jim Nolan, a long standing Chesapeake Bay Yacht Racing Association official, who observed the race and presented our club with a CBYRA burgee. Congratulations to all!

Charles Paris
