- For slip/mooring availability, transient dockage or for any other marina information contact Dock Master: Dave Brzezowski at 610-308-8708.
- Additional transient dockage is available along A and D Dock Attenuators (outside of Marina).
- Slips A72 – A77 and D11 – D16 have 50/30A power. All other slips have 30A power available.
- High tide depths in **blue text** (tidal range 1.9 ft).

Not drawn to exact scale
