

Club Reciprocity Agreements

North East River Yacht Club members enjoy reciprocal privileges at many yacht clubs throughout the Chesapeake Bay and beyond. These agreements give members access to visiting amenities, dining, and, in many cases, discounted transient dockage.

NERYC is proud to be a member of the Chesapeake Bay Yacht Clubs Association (CBYCA), a network of nearly 100 participating clubs offering reciprocal hospitality to fellow members.

Before You Visit

- Verify dock availability
- Review guest requirements or fees
- Make transient dockage reservations if needed

When visiting another club, members should also carry proof of active NERYC membership, which is available from the NERYC office administrator.
